2. If you are not comfortable with online method then fill up in your device offline and submit to email id ([support@noteswriting.in](mailto:support@noteswriting.in)). You must have WORD editor or PDF editor app installed in your device. Or you can take print out of the same, fill up, scan and submit to same email id. Online submission results in fast processing of your project. If you are using WORD file to fill up form in your device then remove all dots (.....) and fill.
3. Use only capital letters if you are using print method of filing application.
4. However you can also submit form through courier/post but processing time will be 30-45 days.
5. Email id and mobile number filled in this application form should be used to submit the form, for future conversations and after registration help.
6. Maximum of one email ID and two mobile numbers can be used.
7. For online submissions: You will get confirmation mail within 3 working days after submission. Within 7-10 working days your project will be dispatched and tracking details will be mailed to you. Our working timing in this division is Mon – Fri. So days and timing will be counted accordingly. Please allow us to work smoothly rather than calling us repeatedly. We work on each enrolment without delay.
8. You can change your contact details including address, email id, phone number.... any time just by sending mail from your registered email id. It will take min 10 days to come into effect.
9. We do not charge joining fee. But you have to pay security deposit. Security deposit is mandatory for work from home jobs. It is taken for security of project materials/manuals/legal papers which are sent to you by courier/post and full amount is refundable with your first payout. Complete legal proof of your deposit will be sent to you.
10. Security deposit is **RS 13,999/-**.
11. Security deposit can be paid by IMPS/NEFT/UPI/e-Wallet. IMPS is fastest and safest way to pay. You can also deposit DD/CHEQUE/CASH to nearest Indian Bank branch. You can also pay via e-wallet by choosing IMPS bank transfer option and entering our bank details there. If you are submitting form through post/courier you can send DD/CHEQUE or you can pay online, as per your convenience.

23. Procedure to submit docs for group registration:

There are various options to submit your docs for group registration. You can follow any as per your convenience. You must mention option number a, b, c or d in the subject line of the mail. For example: Option a. ....instruction given in option

- a. If you have opted for group registration, want all the projects to be sent individually either at same address or different, and also all members wish to submit docs individually then make a secret code on your own for example MTR15, CCF, 8956...etc. Write this code in the subject line of your email while submitting docs. All users can submit form separately with same code. It is applicable for both online/offline forms.
- b. If you are taking group registration and want all the projects in single name and at single address, just submit all the docs in single instance and mention number of IDs in the subject line of the mail. For example : Application for 30 IDs

- 
- c. If you are taking group registration and want all the projects in single name and at different addresses, just submit all the docs, in single instance. Also mention all addresses in the mail and mention number of IDs in the subject line of the mail. For example :  
Application for 30 IDs
  
  - d. If you want group registration and want all the projects to be sent individually either at same address or different, any one person can submit docs of all the members from his/her email. Make zip file of the docs and write number of IDs in the subject line of the mail. For example : Application for 75 IDs
